8th July, 2024,

Dear Sir/Mam,

I am writing to express my interest in the intern position at your Company, as advertised on Online. With a strong educational background in Computer Science and Engineering, specializing in **Artificial Intelligence and Machine Learning**, coupled with hands-on experience as a Front-End Developer, I am excited about the opportunity to contribute to your team.

Throughout my academic journey at **JIS University**, where I am currently pursuing a **B.Tech CSE** degree, I have maintained a CGPA of 9.23, demonstrating my dedication and strong work ethic. My coursework has equipped me with a solid foundation in **data structures, algorithms, software engineering, and various programming languages including C++, Python, JavaScript, and SQL**.

During my **internship** at Raise Digital, I honed my skills in HTML, CSS, and JavaScript, successfully developing responsive front-end interfaces and handling database management. My experience in creating a personal portfolio website and a comprehensive blood donor-recipient matching system, as detailed in my resume, showcases my ability to deliver user-friendly solutions and manage **real-time database operations**.

I am particularly drawn to your Company because of **intern position**. I am confident that my technical skills, coupled with my problem-solving abilities and unwavering commitment to completing tasks, will allow me to make a meaningful contribution to your team. Whether working independently or collaborating with colleagues, I consistently strive to achieve the highest standards of quality and efficiency.

I am eager to bring my expertise to your company and am excited about the prospect of contributing to your innovative projects. I am available for an interview at your earliest convenience and can be reached at **+91-6297307403** or via email at ssayanshit2017@gmail.com.

Thank you for considering my application. I look forward to the opportunity to discuss how my background, skills, and enthusiasm can align with the goals of your team.
